【10】 次の英文を読み、以下の質問に答えなさい。

Today many people use smartphone ***applications**. Applications are usually called “apps.” Apps are very useful in many ways. People use apps when they listen to music. They also use apps when they talk with their friends. Some people use apps when they study English. We chose 4 popular apps for English learners. They are **Excited BB**, **Super Vocab**, **World Power** and **Go World**. After that, we ***researched** the number of ***users** of these apps ***during** the last six months.

Excited BB has always been the most popular. More than 10,000 people are using it. It is very simple and useful. You can build up your listening skills with **Excited BB**. You can listen to many English songs with this app. **Super Vocab** is popular too. You can learn many words with this app. This app is very simple but it is a lot of fun to use.

However, all the apps are not as popular as **Excited BB** and **Super Vocab**. **World Power** and **Go World** don't ***attract** many users now. At first, **World Power** was more popular than **Super Vocab**. About 10,000 people used this in January, but only 3,000 people used it in March. This is because it is very difficult to use. Finally, **Go World** had the fewest users, but it slowly became popular. It became more popular than **World Power** in May. You can learn about ***conversational *phrases** with **Go World**.

*applications アプリ *research 調査する *users 使用者 *during ~の間
 *attract 引きつける *conversational 会話的な *phrase(s) フレーズ, 言い回し
