Hi, I'm Chika. I'm fifteen years old and I'm Japanese. Last February, I visited Australia as a school trip. I stayed there for three days and enjoyed a lot of activities.

On the first day, I went to the zoo in **Queensland** and saw (\(\mathcal{T}\)) <u>local animals</u> like koalas and **kangaroos**. They were so cute and they looked very happy in the rich nature. I have never seen them before, so I was very excited to see them.

On the second day, I went to Gold Coast. It is very famous for its beautiful beach. I (1) enjoyed (swim) in the sea and found beautiful seashells on the beach. It was a lot of fun. I also tried local seafood there. The lobster was so big and delicious. I liked it very much.

On the last day, I visited a junior high school in Brisbane and talked with Australian students.

(ウ) (not / me / easy / to / English / it / for / was / speak ), but body language helped me so much.

And then, they taught me the way to play cricket. ( $\pm$ ) It is one of the most popular sports in Australia. It was very interesting. I was really happy to have time with them.

I could experience and learn many things through the trip. In the future, I want to go to more other countries because I like to meet new things, people and culture. I'm sure it also can change myself in a good way. I should study English harder to go abroad.
